

DOG EARS

Background Artist - 2D Animation Series

The Job Details:

We are looking for a **Background Artists** to come and work with us on our exciting new Series.

Key Responsibilities:

- To create digitally paint detailed backgrounds to the creative standards of the project as advised by the Background Supervisor and Art Director;
- Meet a weekly quota and deadlines as assigned by the Production Crew;
- Ensure all backgrounds closely represent and are true to the style of the Location designs provided;
- Completion of creative and technical revisions as requested by the Background Supervisor in addition to the background quota;
- Adhere to the work flow structure of the project as requested by the Art Director, including a clean and orderly delivery of assets and layers to the animation and compositing teams;
- Work cohesively within a team environment and ensuring high levels of communication at all times;
- Adhere to the production tools used for tracking workflow, input and delivery/output of backgrounds;
- Strong communication and ability to work to a verbal or visual brief, flagging in advance any issues that may impact on successful timely delivery of material or shots to Production and the Supervising crew

Requirements:

What we would like to see from you:

- Solid knowledge of 2D animation workflows;
- Excellent Photoshop skills;
- Excellent communication skills and willingness to share information in a team environment;
- Knowledge in Toon boom Harmony
- Good problem solving skills
- Be driven and able to work effectively on an independent basis;
- Fluent in English;
- Must possess excellent time management skills with the utmost respect for deadlines;
- Be available on messaging systems and by emails during working hours;
- Willing to potentially relocate to Derry, Northern Ireland (UK)
- Solid experience in painting backgrounds for 2D Animation
